

## PRESS RELEASE

October 2022

### **Gulf Coatings Show makes its debut from 17–19 October 2022 at Expo Centre Sharjah, United Arab Emirates.**

**Vincenz Network, a leading provider of information and networking services for the coatings industry, and NürnbergMesse are joining forces to establish a new must-do event for the paint and coatings industry in the Middle East. From 17 to 19 October 2022, the two partners are launching the new Gulf Coatings Show and Conference in the Expo Centre Sharjah, UAE. The event is adapting for the Gulf region the successful concept of the world-leading European Coatings Show plus Adhesives, Sealants, Construction Chemicals, which takes place every two years in Nuremberg. The content-rich event will bring together international solution providers and regional decision-makers.**

The premiere of the Gulf Coatings Show und Conference over three days from 17 to 19 October 2022 sees the launch of a content-rich event in hall 2 of the Expo Centre Sharjah in the UAE. It represents a response to worldwide economic and trade policy changes, new regulatory requirements, and sustainability and consumer trends in this region. The flagship European Coatings Show, the leading exhibition for the international paint and coatings industry, is expanding into the Middle East. Thirty exhibitors from seven countries, including key players like Covestro, Evonik, VMA Getzmann and Wilhelm Niemann, will network with regional experts and broadly appeal to SMEs. The new event is taking place with the significant involvement and support of the Sharjah Chamber of Commerce.
